Wine Recommendation

Methode Cap Classique Sparkling wines are a wonderful aperitif to tantalise your palate before any meal or with the Parma ham & melon.

We have a wonderful selection of crisp Sauvignon Blanc wines & suggest these to be matched with the Smoked Salmon. A light styled Red Blend or Rosé would certainly not be out of place with our Cajun Chicken Salad. The springbok Carpaccio would most certainly accompany our new Protea Merlot

Wine Recommendation

Any good Shiraz or Merlot would complement the Pasta dish, try the Guardian Peak with its smoky bacon character it really goes well with the mushroom flavour. A wine like Hartenberg Reisling or Grunberger Rosenlese would be my choice for this fresh & simple butternut dish.
